

MAIL DROP-OFF BOXES: Standards

Drop-off boxes must not extend into corner sight triangles — as a general rule, a minimum of 5 ft. back from both handicap ramps.

Clear space requirements around tree grates and other obstructions.

- No further than 6 in. from private property line parallel to street.
 - Cannot block windows without owner's consent.
 - Only one grouping per street block face
 - Not more than three boxes per group per qualifying location.
